

Senior Construction Engineer

Candidate Qualifications:

Peralte-Clark, LLC is looking to fill a full-time construction management position. The ideal candidate is a graduate with a B.S. in Civil/Construction Engineering with over 5 years of experience. PE licensure is preferred, but not required. Prior experience with MicroStation, Bluebeam and Microsoft Office is preferred, but not required. At a minimum, the candidate shall have an active IDOT Documentation Certification. The position requires prior experience with the Tollway, IDOT and CDOT.

The Job:

The job will consist of construction observation work on-site at various infrastructure projects, primarily on the Tollway. As a senior hire, you will help guide the direction of our growing construction management practice.

About our Firm:

Peralte-Clark is a relatively new civil engineering firm founded by two industry veterans who bet on themselves that they could do it better. We aspire to be a forward-looking, agile firm that is on the leading edge of the industry. In order to accomplish this, we need bright and experienced engineers with an entrepreneurial spirit with a singular focus on client satisfaction.

As a firm, we focus on transportation projects that include roadway, intersection and highway design, as well as associated traffic and drainage studies. We are in the process of building our construction management team and need sharp, open minded talent to grow.

We pride ourselves on being a true team with real camaraderie. We all believe in the vision of the firm and are committed to helping build something special.

Our office is located in downtown Arlington Heights, a fast 40-minute train ride from downtown Chicago's Ogilvie Station and a two minute walk from the Arlington Heights train station. We offer competitive pay, excellent benefits and a pleasant work environment.

Staff Testimonial

“The courage to believe in, and give people the opportunity to work irrespective of their background, is highly commendable. I am proud to be part of a firm that recognizes and respects each other's individual differences.”
